Box: Missing Parts

Dear Sir:

Please amend the above-identified patent application as follows:

In the Claims:

Please cancel claims 7, 8, 9, 11 and 16.

Please amend claims 1-2 and 12 as follows:

1. (Amended) An antibody capable of selectively binding to a three dimensional conformation provided by the C-terminal part of the PrP^{Sc} isoform of the prion protein or a portion thereof, while not binding to the PrP^C form.

2. (Amended) The antibody according to claim 1, wherein the C-terminal part comprises a region of the prion protein ranging from about amino acid no. 190 to amino acid no. 214 of the prion protein, or variants thereof, obtained by substituting or omitting or
